

# Thank you! ¡Gracias!

Thank you for your download! I hope you find great value in these bilingual classroom job cards for your classroom.

## How to Use

There are a total of 31 different job cards. This resource includes 2 sets depending on your needs. The 1<sup>st</sup> set has a separate card for boy and girl. The 2<sup>nd</sup> set combines boy and girl.

The green font is used for Spanish language and the blue font is used for English language.

You may notice that for the boy and girl jobs in Spanish, "asistente" and "ayudante" is used for both genders. In order to differentiate, the articles "el" or "la" should be used to describe the gender. For example, "el/ asistente del calendario", "la asistente del calendario".

Cut and laminate to make the cards durable.

When printing, be sure to select "Actual Size" to maintain the card size, 3in x 4in. If "Fit" to paper is selected, it may print out slightly larger.

If you have any questions, please let me know! Don't forget to leave a review of this product, I'd love to hear your feedback!
