

Thank you! ¡Gracias!

Thank you for your download! I hope you find great value in these bilingual schedule cards for your classroom.

How to Use

There are a total of 90 cards. Use these to help students understand the schedule for the day. Cut and laminate to make the cards durable. My preference is to use a pocket chart to display our class schedule. You can also attach magnetic tape to the back of the cards if you display it on your board.

When printing, be sure to select "Actual Size" to maintain the card size. If "Fit" to paper is selected, it may print out slightly larger.

The red font is used for Spanish language and the blue font is used for English language.

If you are looking for an editable template, please go to the PPT file.
