Thank you! ¡Gracias!

Thank you for your download!

I hope these early finisher posters help you and your students. It is always helpful to have a chart for students to refer to. It is helping build their independence and provides choice in the classroom. I love using these with my students. I can just point to these posters whenever my students are finished.

Please leave me some feedback! I would love to hear from you! ☺

How to use:

Print out all the pages in color. Laminate. Then cut the posters out. You can arrange them as a choice board or place them in the order you want students to do.

Make sure to explain and model what you want your students to do. Set your expectations and see your students grow.

There are blank templates for you to write in any activities you would like your students to do.

¡Ya termine!
