

1st Week of School Lessons – Lesson 1

Our 1st Day of School Feelings

Materials

- ¡Qué nervios! El primer día de escuela por Julie Dannenberg
- Our 1st Day of School Feelings Presentation
- How I feel on the first day of school worksheet
- Feelings vocabulary chart

Standards

- RL.K.1
- RL.1.1
- RL.2.1

Objectives

Yo puedo nombrar y escribir como me siento en el primer día de clases

Before Reading

- Preview the cover of the story. Ask students what the story might be about.
- Review the feelings vocabulary. Help students identify what feelings they may be feeling on the first day of school.
- Say "Vamos a leer y averiguar como se sienten los personajes del cuento."

During Reading

- Stop 1 or 2 times for students to talk about and reflect what they notice in the illustrations. Have them identify how the characters may be feeling.

After Reading (Activity)

- Ask students what they thought about the ending. Were they expecting the teacher to feel nervous?
- As a class, talk about the feelings. Have students share how they feel.
- Model for students naming how you feel and completing the "How I feel on the first day of school" worksheet.
- Students complete the worksheet. Then give them time to share.
- **Tip:** Collect student's completed work and turn it into a class book. 😊
